

In the garden of life, you encounter people and events that impact you in extraordinary ways. Honor a loved one or remember an anniversary in a unique way by purchasing a personalized brick to be installed in the new Reading Garden.

The new Reading Garden will be built to the southwest of the library in conjunction with the 2016-2017 library renovation. This garden will be a beautifully landscaped area of relaxation next to Horizon Park, scheduled to be renovated in 2016.

Your gift will serve as a lasting reminder of your gratitude, while also providing funding to further the Indian Trails Library's mission to provide exceptional services to the community.
